

15th VÕHANDU MARATHON 2020

International paddling marathon in Estonia

INFORMATION COMPETITION MANUAL

1. The 15th Võhandu Marathon is organised by the Ekstreempark Sports Club in cooperation with the Võrumaa Sports Federation and Paddling Federation of Estonia
2. The 15th VÕHANDU MARATHON will take place on **Saturday 18 April 2020**. The mass start is at **7.00 AM** at Lake Tamula in Võru.
 - 2.1. Participants will be informed on possible changes to the start time and place (delayed start, start in waves, start location, etc.) caused by weather, ice or other obstacles at least 24h before the announced start time via web page and/or by email.
3. Finish is located 150 m downstream of the highway bridge of Räpina-Värska highway on the left side of the river.
4. The length of the course is approx. 100 km.
5. The cut-off time is **24 hours**.
6. All man powered and unmotorised floating devices are allowed to participate.
7. **NB!** The organisers will not rent out any equipment
8. All participants are responsible for bringing their own equipment.
 - 8.1. Limited number of kayaks and canoes can be rented from our partners by making all the relevant agreements yourself.
9. **NB!** Only crafts listed in this Competition Manual will have their results recorded.
 - 9.1. It is **FORBIDDEN** to switch a kayak, a canoe or any other watercraft during the competition.
 - 9.1.1. **NB!** Teams who have switched a watercraft will have results recorded separately from the main competition.
 - 9.2. Teams with crafts that are not listed in the Competition Manual will have their results recorded separately from the main competition. That includes kayaks and canoes with a larger number of team members than listed in the Competition Manual.
 - 9.3. If a team, whose result does not apply under main competition results, achieves a prize-winning place then the team will not be awarded.

10. RULES FOR THE CANOE CLASS

- 10.1. Participant in a canoe class (C1 or C2) has to use a **C1** oar with a single paddle. It is forbidden to use a double-ended paddle.
- 10.2. The maximum length of the canoe is determined as follows:
 - 10.2.1. C1 – 530 cm
 - 10.2.2. C2 – 650 cm
- 10.3. The maximum nor minimum width of the canoe is not determined.
- 10.4. Rudder and drop keel are forbidden on all canoe types.
- 10.5. It is allowed to use a spray hood all along the cockpit.
- 10.6. It is allowed to fill boat's empty parts with air tanks.
- 10.7. It is forbidden to use a kayak or its modifications in the canoe class.
- 10.8. It is forbidden to remodel a kayak into a canoe.
- 10.9. All canoes have to be able to stay afloat in case of flipping over.
- 10.10. All loose objects in the canoe have to be attached to the canoe.

11. RULES FOR RAFT BOATS

12. All rafts have to be inflatable, with an even bottom and without a rudder.
 - 12.1. Tüüriks loetakse mistahes moel RAFT-i külge kinnitatud või toetatud mõla, aeru või muud seadet millega saab RAFT-i kursil hoida või selle kurssi muuta.
 - 12.2. Tüüriks ei loeta võistleja käes hoitavat mõla või aeru.

13. **The length of the rafts must not exceed their triple width**, i.e. the maximum allowed ratio between **length and width is three**. For example, if the width of the raft is 1.5 m the length should not be more than $1.5 \times 3 = 4.5$ m etc.
14. It is not allowed to change the shape of the raft by any means, it has to be in compliance with the original factory-made requirements.
15. Each RAFT class competitor must use a **C1** single paddle. The use of double-ended paddles is forbidden.
16. The referee may check the raft's conformity either during the start, on the course, or at finish.
17. The number of people in a raft is not regulated, however, the recommended size of a team is between 4-8 members.
18. Teams using rafts that do not comply with the implemented rules will have their results recorded separately from the main competition.
19. All raft teams mentioned in point #18 will receive a marathon diploma and a participant medal, however, they will not be awarded in case they achieve a prize-winning place in their class (RAFT).

REGISTRATION

20. Anyone over the age of 18 (included) can participate in the marathon, provided they have trained sufficiently in order to complete the distance.
21. You can register at www.vohandumaraton.ee
22. **The registration opens every year on the 1st of January.**
23. By registering for the Võhandu Marathon, participants allow the use of photos and videos taken of them during the event for promotional purposes.
24. Should a participant cancel their participation, no participation fee will be refunded, however, in agreement with the organisers the participant can register to the next year's marathon for half of the price.
25. Should the marathon be cancelled due to a *force majeure*, no participation fee will be refunded.

COMPETITION FEES

26. Competition fees are calculated based on the number of participants in a boat.
27. Registration in **JANUARY**
55 EUR per participant
28. Registration in **FEBRUARY**
65 EUR per participant
29. Registration in **MARCH**
75 EUR per participant
30. Registration ends
31 March 2020
31. The winners of the boat classes of the 2019 marathon can register for the 2020 marathon **for FREE.**
32. **NB!** The discounts are individual and do not apply for teammates.

- SWIFT code/BIC: • **HABAE2X**
- Total: • **Total on invoice**
- Payment description: • **INVOICE NUMBER given upon registration and NAMES of participants**

NB! The participant must pay the fee for the bank transfer!

ARRIVAL

33. As the start is early (7.00 AM on Saturday morning), it is recommended to arrive in Võru on Friday evening.

33.1. Too paat kindlasti reedel kohale ja võta stardimaterjalid välja. Veel parem soovitus on, et võtke nädalalõpp vabaks ja saabuge Võrumaale juba neljapäeval. Nii on teil aega rahulikult varustus ettevalmistada ja stardieelset melu nautida messikeskuses.

34. Upon arrival to Võru visit the Competition Centre first. There you will get all necessary materials and information.

35. You can leave boats and trailers in the secured car park next to the Competition Centre.

36. The Competition Centre, car parking, camping ground and the accommodation in the Võru Sports School are all located near the start area.

37. In addition, it is also possible to stay at various hotels and guesthouses in Võru. Additional information at www.visitvoru.ee/accommodation

38. The organisers can offer approximately 200 places for sleeping on the floor of the Võru Sports School. **Samuti on organiseeritud ööbimine finishis Räpina Ühisgümnaasiumi spordisaali põrandal ca. 100 kohta peale finisheerumist.**

38.1. NB! Bring your own sleeping bag and mat.

38.2. Sissepääs Võru Spordikooli avatakse R. 17. aprill kell 16:00. Võru Spordikoolis maksab ööbimine 5 -10 € koht.

38.3. Sissepääs Räpina Ühisgümnaasiumisse avatakse L. 18. aprill kell 20:00. Räpina Ühisgümnaasiumis maksab ööbimine 5 € koht.

38.4. Accommodation must be paid upon arrival on site in cash (€5 per place).

38.5. Booking is based on the registration order. When travelling with a group, consider all the people in your group when making a reservation.

PARKING AND TRAFFIC ON COMPETITION DAY

39. Parkimine parklates võib olla tasuline, hoidke mõned eurod taskus. Parklatesse suunatakse autod vastavalt liikluskorraldusele ja täituvusele.

40. Stopping and parking in service points and on bridges crossing the rivers is regulated by temporary traffic signs, violations will cause sanctions in accordance with the law.

41. Following the instructions of the police, traffic arrangers and competition referees is obligatory when driving, parking and/or competing.

START - <https://g.page/vmstart>

42. Koordinaadid - Võistlus- messikeskus, C (kanuu) ja K (kayak) klassi paatide stardiala.

42.1. Google maps: 57.842593, 26.992245

42.2. GPS: 57°50'35"N 26°59'30"E

43. Koordinaadid - RAFT, SUP, BOAT ja isetehtud (UNK) klassi paatide stardiala.

43.1. Google maps: 57.846943, 26.981476

43.2. GPS: 57°50'50"N 26°58'58"E

44. Start materials will be distributed at the võistlus- messikeskuses.

Thursday 16 April 16:00 - 22:00

Friday 17 April 12:00 - 24:00

Saturday 18 April 05:00 - 06:30

45. Based on experience from previous years it is recommended to arrive in Võru on Friday , veel parem neljapäeval.

45.1. If possible, bring your boat to the Competition Centre on Friday and get your start kit/materials from the organisers.

45.2. BE ON SITE EARLY ON THE MORNING OF COMPETITION.

45.3. There will be changes in the traffic pattern near the Competition Centre on the morning of competition. Some streets will be closed.

45.4. There might be no parking spots left near the Start site and getting your boat to the lake might take a lot of time.

45.5. Due to the large number of participating boats, it takes approximately up to an hour to get to the Start position with your boat.

46. Each team is guaranteed:

46.1. A number, which has to be attached to the competitor and a sticker-number, which has to be attached to the boat.

46.2. A waterproof map with necessary information.

46.3. Timing by organisers at control point and at the finish.

46.4. A ranking in the official results.

46.5. Catering (food and drinks) at two control points and at the finish.

47. All accompanying vehicles will receive a special map indicating the recommended directions, parking, traffic restrictions and other relevant information for drivers.

48. After the start, the Competition Centre in Võru will be closed and moved to Võõpsu village.

COURSE

49. Kõik jõge ületavad maantesillad on kontrollpunktid. Kokku on 16 kontrollpunkti (KP)

49.1. Ajavõtt toimub tabelis toodud kontrollpunktides.

Control point	Name	Distance from start	Distance of the leg	Control point (KP) will be closed
2 KP	LIITVA BRIDGE	7 km	7 km	SAT 09:00 AM
6 KP carry across	PAIDRA MILL DYKE	31 km	24 km	SAT 14:00 PM
7 KPT carry across	LEEVI POWER PLANT DYKE	41 km	10 km	SAT 16:00 PM
8 KP	SÜVAHAVVA MILL DYKE	49 km	8 km	SAT 18:00 PM
12 KPT carry across	LEEVAKU POWER PLANT DYKE	76 km	27 km	SAT 23:00 PM
14 KP carry across	RÄPINA POWER PLANT DYKE	91km	15 km	SUN 03:00 AM
16 KP FINISH	VÕÕPSU HIGHWAY BRIDGE	100 km	9 km	SUN 07:00 AM

50. The time limits for passing through each control point are displayed in the table above.
50.1. Teams that exceed control point time limits will be called off the course.
51. By way of exception, the organisers have the right to shorten the course during the race in the interest of the participant's safety.

CATERING

52. Kõigile maratonist osalejatel on võistlusrajal toitlustus TASUTA
52.1. Käepaelad jagatakse koos stardimaterjalidega.
53. Toitlustus toimub kolmes kohas. **(41 km - KP 7)** ja **(76 km - KP 12)** ning finishis **(100 km - KP 16)**.
53.1. **KP 7** Leevi kontrollpunkt 41 km avatakse 9:00 ja suletakse 16:00
53.2. **KP 12** Leevaku kontrollpunkt 76 km avatakse 12:00 ja suletakse 23:00
53.3. **KP 16** Toitlustus finishis algab 13:00 ja suletakse viimase võistleja saabumisel.
53.4. Toitlustuspunktides pakutakse suppi, jõujooki, vett, kukleid, leiba, soola.
53.5. Finishis pakutakse tanguputru ja muud hääd paremat.
54. Escort teams are catered for only when they present a food coupon. Food coupons can be bought from the competition centre.
54.1. A food coupon is valid in all three catering stations and costs **10 €**.
55. **NB!** Lisaks kolmele korraldajate poolt organiseeritud toitlustuspunktile võib rajale tekkida mitmeid kodukohvikuid ja teisi toitlustajaid- toitlustus ja tarbimine nendes kohtades toimub tarbija vastutusel.
55.1. Maratoni korraldaj ei kordineeri kohvikute tööd ega vastuta seal pakutava eest.
56. We recommend participants to take additional food with them in addition to the food offered at catering points. For example: raisins, nuts, energy bars and definitely something to drink.

FINISH - <https://g.page/vmfinish>

57. Finish is located 150 m downstream of the highway bridge of Räpina-Värskä highway on the left side of the river. The time will be recorded when the first member of the team crosses the finish line.
58. The headquarters, changing tents, sauna, car park and the camping ground are located at the Competition Centre near the finish.
59. Catering will offer groat porridge with extra lard in it, tea, 'energy drink', water, buns, and bread.
60. It is only allowed to enter the finish area by car **for loading the boat**. For long-term parking use nearby parking lots and the roadside.
61. Cars must be parked at the car park of the Competition Centre according to instructions given on site.
62. It is estimated that the winner will arrive at the finish at 15:00, approx. 8 hours after the start.
63. The last teams will reach the finish late at night after spending 21-22 hours on the course.
- 64. Please use an accompanying vehicle so that you have people helping you on the course and necessary equipment at KPs and bridges (food, drink, dry clothes, head torches, medicines etc.)**
65. **NB!** After having spent at least 10 hours on the course, we advise you not to drive the car yourself. Use another driver or stay the night at Võõpsu or Räpina before you start the journey home.

QUITTING in the CONTROL POINTS (KP)

66. If you want to quit the marathon, please make sure you do it at a control point (KP).
67. The results of those who quit will be displayed at the bottom of the protocol.
68. Kontrollpunktis lõpetamise korral on **KOHUSTUSLIK** teavitada korraldajaid, helistades või saates SMS-i maratoni infonumbrile (**+372 52 10 800**) ning teid registreeritakse lõpetajaks vastavas kontrollpunktis. (täpsem info kaardil ja kontrollpunktis)
 - 68.1. SMS palun saata kujul (paadi number tühik katkestamise koht) nt 1500 Leevaku
 - 68.2. Palun salvestage telefoninumber + 372 52 10 800 endale telefoni.
 - 68.3. Salvestades numbri telefonis nimega AAA VÕHANDUMARATON tagab, et number on alati esimesel real ning kriisiolukorras kiiresti leitav ja kasutatav.)
69. NB! The organisers are not responsible for the transportation of participants from the control points to the finish.
70. Based on previous experience and the difficulty level, distance and length of the marathon we have reached the conclusion that it is necessary to use **ACCOMPANYING VEHICLES**.
Please use accompanying vehicles.
 - 70.1. It is ALLOWED and RECOMMENDED to use outside help for carrying the boat around obstacles.

TIMING

71. The organisers will mark your times at the start, at KPs and at the finish.
72. In order for the result to be registered, your number must be visible throughout the marathon.
73. The results will be posted online.
74. Spectators and supporters can follow the competition live online. More information will be posted on the day of the competition at www.vohandumaraton.ee

RULES

75. It is mandatory to wear a life jacket. Competitors without a life jacket will be disqualified.
76. We recommend wearing a helmet.
77. Be extra careful when passing dams at mills (strong currents, rocks) and at night (branches, trees in the water).
78. Use at least one headlamp per team during night-time.
79. It is not allowed to carry a boat over an oxbow/bend (i.e. shortcutting is not allowed). All violators will be disqualified.
80. Do not throw litter into the water or onto shores. Throwing drinking bottles and packages in nature will result in immediate disqualification. You can leave litter at checkpoints.
- 81. CHECKING AND IDENTIFICATION OF THE INTOXICATION OF A PERSON**
82. Võhandu Marathon follows the rules of the World Anti-doping Code.
83. Persons with obvious intoxication symptoms or drunk persons will be disqualified.
84. In order to check for intoxication, the organiser is entitled to call the police or another authority that will check the presence of alcohol, drugs or any other intoxicating substance in the blood of a competitor.
85. In the case of suspected intoxication, the organiser is entitled to prohibit further movement of the whole team. The boating team will be disqualified, and no participation fee will be refunded.

86. HINDERING OTHER COMPETITORS

86.1. Any attempt to disturb other competitors by withholding the other team or the competition by blocking the way will result in disqualification of the respective boat team.

COMPULSORY EQUIPMENT ON THE BOAT

87. Mobile phones in waterproof cases with the organiser's phone number. (**+372 52 10 800**)

87.1. Salvestades numbri telefonis nimega AAA VÕHANDUMARATON tagate, et number on alati esimesel real ning kriisiolukorras kiiresti leitav ja kasutatav.

88. **NB!** Please wear a mobile phone on you. This enables you to call for help even if you have lost all your other equipment.

89. **Termokile NB!** kannu seda enda päästevesti taskus või muul viisil enda küljes. Ümber minnes ning kaotades kogu varustuse võib see päästa Teid alajhutmisest.

90. Head lamps (at least one per boat). Valgust hakkab vajaminema jõel kell 21:30

91. Pocket knife (at least one per boat).

92. Cord, approx. 5m. (attach it to the boat)

93. Dry clothes (in a waterproof bag)

94. Resources necessary to light a fire.

95. Söök ja eriti pöörake tähelepanu, et oleks pidevalt piisavalt JUUA

COMPETITOR'S RESPONSIBILITY

96. Completing such a long course will be challenging both physically and mentally. Participants must take into account that competing at the Võhandu Marathon is high risk and they are solely responsible for their actions. The organisers are not responsible for possible injuries, traumas, fatalities etc.

97. All competitors have to be familiar with the possible risks and sign a confirmation document upon receiving the start materials.

98. All competitors are solely responsible for the safety and the maintenance of their equipment.

99. The organisers are not responsible for items lost or damaged during the competition.

100. Bring a small medicine case (bandage, plasters, painkillers etc.).

101. The local border guard, ambulance and rescue services have been informed of the competition.

102. If someone needs help on the course please note the time of the incident, the number of the team, remember the place of the incident and inform the organisers at the next KP or by calling **+372 52 10 800**

103. In case of a serious incident immediately call the emergency telephone number 112 and inform the organisers.

104. **NB! READ THE SAFETY INSTRUCTIONS!**

AWARDING

105. Auhindadega autasustatakse maratoni absoluutarvestuses KAHTTEIST (12) esimest paatkonda ja paadiklasside võitjaid.
- 105.1. If a team, who's result does not apply under main competition results (UNK-unknown), achieves a prize winning place then the team will not be awarded.
106. **Diplomeid ei jagata. Diplomid on elektrooniliselt kättesaadavad kodulehelt www.vohandumaraton.ee**
107. **MEDALS** will be given to all participants who have completed the full marathon irrespective of the boat class.
108. Awarding will take place at the finish one hour after the team has finished.
109. There will be a prize draw between all participants who have signed the SAFETY INSTRUCTIONS and returned it to the organisers.
- 109.1. **Võistlusel diskvalifitseeritud võistlejal ei ole õigus osaleda loosiauhindade loosimises.**
110. The safety instructions will be handed out with the start materials and should be signed.
111. Draw prizes will be handed out at the finish.
