53.3. KP 16 Catering at the finish will start at 13:00 and will be closed when the last competitor arrives.
53.4. Catering facilities offer soup, energy drinks, water, muffins, bread, salt.
54. Escort teams are catered for only when they present a food coupon. Food coupons can be bought from the Competition Centre.
54.1. A food coupon is valid in all three catering stations and costs **10 €**.
55. NB! In addition to the three catering points organised by the organisers, there may be several home cafes and other caterers on the trail - catering and consumption at these locations is the responsibility of the competitor
55.1. The organiser of the Marathon does not coordinate the work of the cafés and is not responsible for what is offered there.
56. We recommend participants to take additional food with them in addition to the food offered at catering points. For example: raisins, nuts, energy bars and definitely something to drink.

FINISH - <https://g.page/vmfinish>

57. Finish is located 150 m downstream of the highway bridge of Rápina-Värška highway on the left side of the river. The time will be recorded when the first member of the team crosses the finish line.
58. The headquarters, changing tents, sauna, car park and the camping ground are located at the Competition Centre near the finish.
59. Catering will offer groat porridge with extra lard in it, tea, 'energy drink', water, buns, and bread.
60. It is only allowed to enter the finish area by car **for loading the boat**. For long-term parking use nearby parking lots and the roadside.
61. Cars must be parked at the car park of the Competition Centre according to instructions given on site.
62. It is estimated that the winner will arrive at the finish at 15:00, approx. 8 hours after the start.
63. The last teams will reach the finish late at night after spending 21-22 hours on the course.
- 64. Please use an accompanying vehicle so that you have people helping you on the course and necessary equipment at KPs and bridges (food, drink, dry clothes, head torches, medicines etc.)**
65. **NB!** After having spent at least 10 hours on the course, we advise you not to drive the car yourself. Use another driver or stay the night at Võõpsu or Rápina before you start the journey home.

QUITTING in the CONTROL POINTS (KP)

66. If you want to quit the marathon, please make sure you do it at a control point (KP).
67. The results of those who quit will be displayed at the bottom of the protocol.
68. On completion at the control point, you **MUST** notify the organizers by calling or sending an SMS to the marathon information number (+372 52 10 800) and you will be registered as a finisher at the relevant control point. (more info on the map and control point)

94. Resources necessary to light a fire.

95. Food & Drink. (Please ensure you drink regularly.)

COMPETITOR'S RESPONSIBILITY

96. Completing such a long course will be challenging both physically and mentally. Participants must take into account that competing at the Võhandu Marathon is high risk and they are solely responsible for their actions. The organisers are not responsible for possible injuries, traumas, fatalities etc.

97. All competitors have to be familiar with the possible risks and sign a confirmation document upon receiving the start materials.

98. All competitors are solely responsible for the safety and the maintenance of their equipment.

99. The organisers are not responsible for items lost or damaged during the competition.

100. Bring a small medicine case (bandage, plasters, painkillers etc.).

101. The local border guard, ambulance and rescue services have been informed of the competition.

102. If someone needs help on the course please note the time of the incident, the number of the team, remember the place of the incident and inform the organisers at the next KP or by calling **+372 52 10 800**

103. In case of a serious incident immediately call the emergency telephone number 112 and inform the organisers.

104. **NB! READ THE SAFETY INSTRUCTIONS!**

AWARDING

105. Prizes will be awarded to the first TWELVE (12)boats that cross the marathon finish line. This is an absolute ranking across all boat classes. Awards will then also be given to the winner of each class.
 - 105.1. If a team, who's result does not apply under main competition results (UNK-unknown), achieves a prize winning place then the team will not be awarded.
106. Diplomas wont be given out at the end. The diplomas are available electronically at www.vohandumaraton.ee
107. **MEDALS** will be given to all participants who have completed the full marathon irrespective of the boat class.
108. Awarding will take place at the finish one hour after the team has finished.
109. There will be a prize draw between all participants who have signed the SAFETY INSTRUCTIONS and returned it to the organisers.
 - 109.1. A competitor who is disqualified during the competition is not entitled to take part in the raffle.
110. The safety instructions will be handed out with the start materials and should be signed.
111. Draw prizes will be handed out at the finish.
